Chapter 10: Diversified Rap – Hip-House, Alternative, and Jazz-Rap

Important Terms & Names
1) What are the musical characteristics of hip-house?
2) Who were the “Native Tongues Collective”? How did their music differ from that of either East Coast or West Coast rappers?
3) How did alternative rap display its creativity and studio intelligence?

4) In what ways was jazz-rap a parallel to the fusion style of jazz-rock?

5) Which legendary jazz label opened its archives for sampling by the jazz-rap group, Us3? How did the rap group use the samples?
